

Veteran Owned

**AMCI**

24/7 **Satellite Monitoring** and callout by our live operators. Class 1, Div 2, Group A, B, C, D. **Easy Installation** - No Wiring - No Power - No Antenna - No Brackets!

**Baumer LTD**

**SENSORS:** Inductive, Vision, Capacitive, Photoelectric, Laser, Ultrasonic, Precision Switches, & Fiber Optics. **Encoders:** Incremental, Absolute, Multi-Turn and Magnetic

**Dynapar**

**ENCODERS:** Incremental, Absolute, Multi-Turn **1-3 DAY DELIVERY**

**northstar HENGSTLER Harowe™ negele ACURO®**

**Dwyer**

**Test/Monitor/Control:** Pressure, Flow, Air Velocity, Level, Temperature and Humidity. Date Acquisition. Valves. W.E. Anderson, LOVE and MERCROID.

**Eagle Signal**

**Timers, Counters, Relays,** and a large inventory and repair of all modules and software for the Eagle Signal **DISCONTINUED PLC's.**

**Enclosures**

**Saginaw Steel Enclosures** TYPE 1, 3R, 4, 4X, 12 & 13. **Allied Moulded** and **FIBOX®** Non-Metallic Enclosures (NEMA 1, 2, 3, 3R, 4, 4x, 12 & 13)

**Industrial Control Links**

**SCADA Solutions** for monitoring, alarming, data collection, trending and control, multiple wireless options and Ethernet. Used extensively in water/wastewater, oil & gas and power.

**Partlow**

**Temperature Controls and Recorders**

**Remote Control**

**Radios** designed, built and programmed for each customer. Transmitter style, combination of controls, custom layout, even logo. Mix and match technology.

**Pyromation®**, Inc.

**Temperature Sensors** and accessories for industrial applications.

**R.STAHL**

**Hazardous Location Products:** I.S. Safety Barriers and Galvanic Isolators, Remote I/O PC based HMI, J Boxes, Controls, Enclosures, Distribution and Lighting  
Meets all global specifications

**United Process Control**

**Furnace control systems - complete integration with software**

**Veeder-Root**

**Counters:** Totalizing & Predetermining, Batch & Add-Subtract for production, monitoring and control. Proximity sensors and Ultra Precision Switches

**Weschler**

**Intelligent Digital BarGraph Meters,** Transformer Temperature Monitoring and Control  
Analog Meters, Panel Meters, Current Transformers

**WEST / CAL**

**Temperature Controls and Paperless Recorders**
